

We are interested in how Southern's students feel about the advising process. Please take the time to thoughtfully answer each of the following items. Your responses will be kept completely confidential and will be used to help improve Southern's advising resources.

How many semesters, including this one, have you attended Southern? _____

What is your reason for attending Southern? Please mark your selection below.

- To earn a professional certificate _____
 - To earn an associate degree _____
 - To take classes that will be transferred to a 4-year college _____
 - Taking some classes for credit, but not seeking a degree or planning to transfer credits _____
 - Taking non-credit classes (personal enrichment) _____
-
-

What is your major (what professional certificate or degree are you seeking)?

Including the classes you are taking now, how many total credit hours have you earned while at Southern? If you're not sure, give your best estimate, but also say "Not sure"

In what ways have you been advised at Southern? (Mark all that apply)

- Met with a student advisor whose main role is to help students register for classes _____
 - Met with a faculty advisor whose main role is teaching, but also advises students _____
 - Met with someone who works in the program that I am interested in _____
 - Met with a Continuing Education / Workforce Development staff member _____
 - Met with someone, but I don't know what their role is at Southern _____
 - Used Southern's website to register for classes _____
-
-

If you met with someone to register for classes, please tell us where you saw this person:

Boone (___) Logan (___) Williamson (___) Wyoming (___)

Other (Please specify _____)

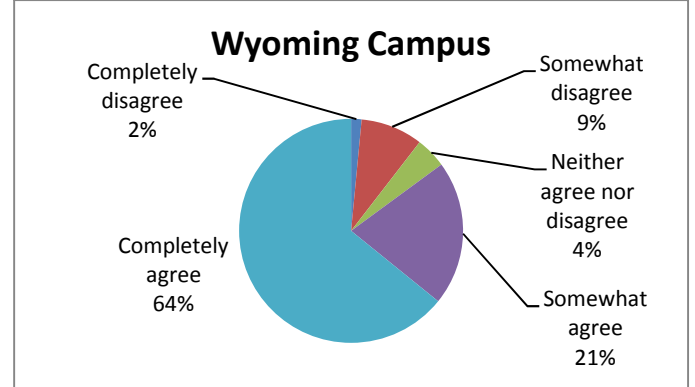

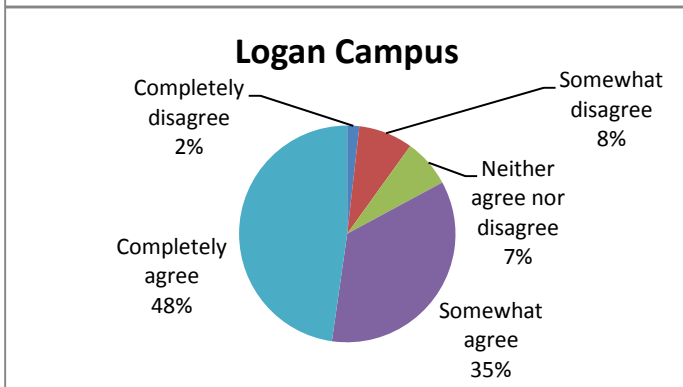

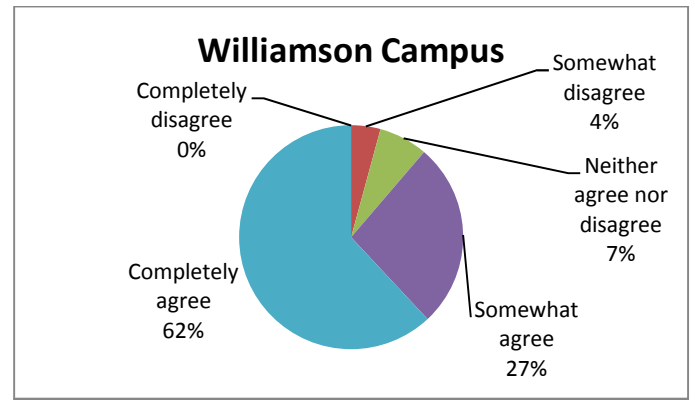

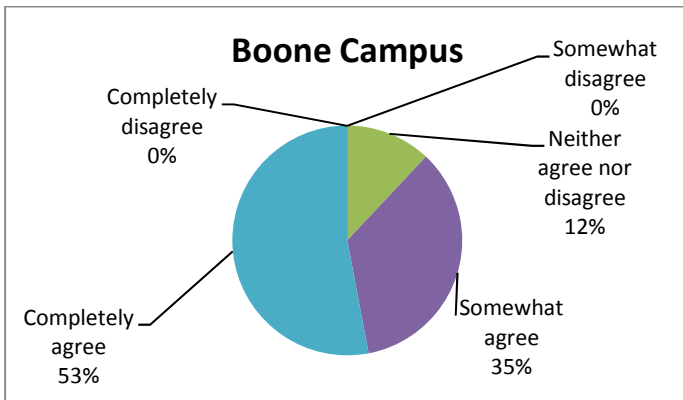

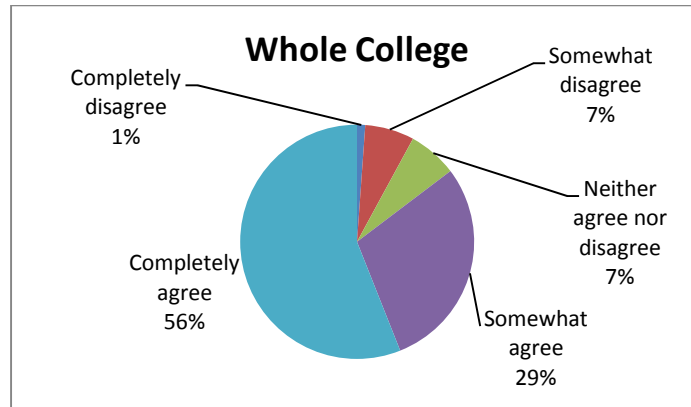

MORE ON BACK

Please complete the following table:

	Completely Disagree	Somewhat Disagree	Neither Disagree nor Agree	Somewhat Agree	Completely Agree
My advising experience at Southern has been positive					
I often refer to Southern's website when thinking about what classes I should take next.					
My advisor is rude.					
I have no idea what classes I will need to take in order to reach my academic goals at Southern.					
I trust my advisor to put me in the correct classes.					
To make sure you're reading each item, please select "Somewhat Disagree" in this.					
I've been told I needed a class that I later found out was not a requirement for my program.					
I can always find someone who can answer questions about my program.					
If Southern's website was more user-friendly, I could register for classes on my own.					
I have an academic plan and I know exactly what I need to do to graduate on time.					
My advisor makes me feel like I have choices when it comes to my academic goals.					

Please use the space below to share any comments or suggestions with regard Southern's student advising program.
