

72 Names Of God In Hebrew And English

Mark Sameth

72 Names of God -- Hebrew Edition Kabbalah Centre Europe,2011-07-11 Text in Hebrew

The 72 Names of God for Kids Yehuda Berg,2006 Explains to young readers how the three letters of each of the Kabbalah's seventy-two names for God can be used to teach such important spiritual lessons as how to get rid of negative thoughts and anger, how to share with others, and how to feel safe.

Meditations on the Divine Name ,2011

His Name Is One Jeff A. Benner,2003 When we read an English translation of the Bible we define the words within it according to our modern vocabulary allowing our culture and language to influence how we read and interpret the Bible. The Bible was written by ancient Hebrews whose culture and language was very different from our own and must be read and interpreted through their eyes. When we define the names of God using our culture and language we lose the Hebraic meanings behind the original Hebrew names of God. Consequently the true nature and character of God is hidden behind the veil of time and culture. By understanding the various names of God through the vocabulary and language of the ancient Hebrews, the nature and character of God is revealed to us in a new light. The prophet Zechariah described the character of God with the words sh'mo ehhad translated as His Name is One (Zechariah 14:9). This phrase beautifully describes the character of God from a Hebraic perspective that is lost to us through translation and unfamiliarity with ancient Hebrew culture.

Apples from the Orchard ,2008

72 Names of God -- Hebrew Edition Yehuda Berg,2011-07-01 Text in Arabic.

The 42 Letter Name of God Baal Kadmon,2015-08-16 In this book, we will be discussing an ancient Jewish prayer, often called the The Kabbalists Prayer and the Genesis Prayer called in Hebrew Ana Bekoach . This powerful prayer on the surface seems like a standard prayer, nothing particularly remarkable is contained within the verses. To most, it is just another prayer, but to those who look, they will find within the text the 42 letter name of God. This name of God is so powerful that just by reciting it and gazing upon the letters, you can gain immense powers from the divine. Powers that can solve all your problems. I know it sounds too good to be true, but this prayer and the 42 letter name of God within its verses has been proven to be very powerful. If you look it up you will find countless testaments to the power of this name. Let us begin.

The 72 Names of God Baal Kadmon,2015-08-16 It is said that there are 4 approaches and levels to biblical understanding and study. . The Surface and Literal meaning of the words themselves. . Hints of a deeper meaning beyond the surface words . A Deeper inquiry . Secret and esoteric meaning Each level of biblical exegesis transcends but includes the former and will never contradict the other. In this book we will delve into the deep end of the water, the secret and esoteric meaning. We will unlock the secrets of the Hebrew bible. More specifically, 3 verses from the book of exodus. 19 Then the angel of God who was going before the host of Israel moved and went behind them, and the pillar of cloud moved from before them and stood behind them, 20 coming between the host of Egypt and the host of Israel. And there was the cloud and the darkness. And it lit up the night[a] without one coming near the other all night. 21 Then Moses stretched out his hand over the sea, and the LORD drove the sea back by a strong east wind all night and made the sea dry land, and the waters were divided. Exodus 14:19-21 Within this text hides something profound and hidden. Within this text lies the keys to spiritual and material transformation. Within this text resides the secret of secrets. Within the text hides the 72 names of God. Today, My friend, you will learn them and you will be transformed.

The 72 Angels of the Name Baal Kadmon,2015-08-16 In this book, we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actually, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

The Hebrew Names of God Sipporah Y. Joseph,2011-09-29

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Praying Through the Names of God Tony Evans,2014-08-01 When Life Gets Too Hard to Stand, Kneel You are called to be a prayer warrior. But which name should you call upon? God has more than one name—each represents a different aspect of His character. When you know which name to call, you will pray more effectively, and more specifically to your

need. In this book, Dr. Tony Evans provides tools to transform your prayer life as you get to know God in new ways. You will... experience God as Jehovah Jireh, the Lord will provide. allow God to be El Simchatch Gili, God my exceeding joy. make God Your Jehovah Ori, the Lord my light. know peace through Jehovah Shalom, the Lord our peace. take God as your power source as Jehovah Uzzi, the Lord my strength. make wiser decisions by sitting at the feet of Peleh Yo'etz, Wonderful Counselor. Revitalize your prayer life by connecting your needs with the characteristics of God's names!

All the Names of the Lord Valentina Izmirlieva, 2008-09-15 Christians face a conundrum when it comes to naming God, for if God is unnamable, as theologians maintain, he can also be called by every name. His proper name is thus an open-ended, all-encompassing list, a mystery the Church embraces in its rhetoric, but which many Christians have found difficult to accept. To explore this conflict, Valentina Izmirlieva examines two lists of God's names: one from *The Divine Names*, the classic treatise by Pseudo-Dionysius, and the other from *The 72 Names of the Lord*, an amulet whose history binds together Kabbalah and Christianity, Jews and Slavs, Palestine, Provence, and the Balkans. This unexpected juxtaposition of a theological treatise and a magical amulet allows Izmirlieva to reveal lists' rhetorical potential to create order and to function as both tools of knowledge and of power. Despite the two different visions of order represented by each list, Izmirlieva finds that their uses in Christian practice point to a complementary relationship between the existential need for God's protection and the metaphysical desire to submit to his infinite majesty—a compelling claim sure to provoke discussion among scholars in many fields.

The Name Mark Sameth, 2020-05-04 The God of ancient Israel—universally referred to in the masculine today—was understood by its earliest worshipers to be a dual-gendered, male-female deity. So argues Mark Sameth in *The Name*. Needless to say, this is no small claim. Half the people on the planet are followers of one of the three Abrahamic religions—Judaism, Christianity, and Islam—each of which has roots in the ancient cult that worshiped this deity. The author's evidence, however, is compelling and his case meticulously constructed. The Hebrew name of God—YHWH—has not been uttered in public for over two thousand years. Some thought the lost pronunciation was “Jehovah” or “Yahweh.” But Sameth traces the name to the late Bronze Age and argues that it was expressed Hu-Hi—Hebrew for “He-She.” Among Jewish mystics, we learn, this has long been an open secret. What are the implications for us today if “he” was not God?

The 72 Names of God Katherine Bell, 2018-10-28 A mystical place exists in the Universe where way-showers visit. Their visits occur in dreams, meditation, and contemplation. In the realms beyond Earth-time, these dimensions of higher consciousness present gifts for humanity to enhance living in matter. As a traveler through the dimensions, I am grateful to be a recipient of many modalities for healing and guidance from the realms of Spirit. I am an energy healer, a spiritual counselor, intuit, teacher, minister, and author. I most certainly give honor to the gifts the Shekinah has provided to me to pass on to others, such as yourself. *The Timeless Cryptograms of Healing(R)*, guide the way to higher consciousness and

experiences of the mysteries active in our daily life. These sacred images support our human endeavors Spiritually, Emotionally, Mentally, Physically, Ego-wise, and Soul-wise. Several years ago, the Divine Feminine inspired the vision of sacred cryptograms in my dreamtime. In more recent years, She urged me to explore the gifts inherent in the Hebrew 216-Letter Name of God divided into 72 individual names. She directed the creation of cryptograms for each one. Please refer to About the Author, to learn my story of becoming a cryptographer for the Divine. The 72 Names of God, derived from the 216-Letter Name of God, have existed for thousands of years. Ancient Hebrew Mystics revealed them. Divine inspiration led Moses to identify these names while studying the Zohar 11:51b. Other scholars recognize the same information in Exodus 14:19-21, when written in the Hebrew or Aramaic languages. Hebrew theologians conclude that Moses used these names to part the Red Sea, as well as to rule and meet the challenges he and his people endured. The secret mysteries of supernaturalism allowed Moses to break the yoke of human limitations. Moses passed this wisdom on to future generations. I received guidance to place each Name of God in the cryptograms you will see and use. CD recordings and Divination Cards can also enhance your use of the cryptograms to feel the mystical vibrations of Source that move through the currents of Sound and Light. As you review what the Names of God offer for healing and enlightenment, consider the remarkable balance the Divine offers and has offered for countless years through these iterations of sacred names revealed through Divine Guidance. Moses discovered these ever-present gifts. Over the centuries many scholars, religions, and healers aware of the miracles within the 72 names, continued to pass them on for generations. What mysteries and healing qualities of these cryptograms will you explore? Merely viewing the cryptograms with an open mind and heart results in relaxation, balance and activates Light and Sound. Adding the orchestration of tuning forks increases the vibration. As if by magick, the cryptograms evoke the Inner Healer. Balance, health and success are experienced. The Timeless Cryptograms of Healing(R) in this book represent the tip of the iceberg. Since 2013, the impetus to create hundreds of cryptograms consistently arises in my dream time, meditations, and when contemplating healing for a specific person. They are miraculous. They are timeless. They are the very active energy of the Light and Sound of Source. Each cryptogram consists of the three Hebrew Letters that represent a Sub-Name of God. Each letter corresponds to a specific musical tone. In addition to the tuning fork related to each letter, an additional fork stimulates the pineal gland. The I AM fork strikes the others to create an orchestration of tones and overtones within the Oneness of the Universe. Seed-like vibrations of potential that help achieve healing and enlightenment are imbedded within each individual. The sight and sound of the cryptogram activates these seeds to grow and expand. The orchestra of Light and Sound initiates the power of the Name of God, and harmonious waves of healing and balance.

The Name of God Y.eH.oW.aH Which is pronounced as it is Written I_Eh_oU_Ah Gerard Gertoux, 2015-06-10 The understanding of God's name YHWH is so controversial that it is eventually the controversy of controversies, or the ultimate controversy. Indeed, why most of competent Hebrew scholars propagate patently false explanations about God's name? Why

do the Jews refuse to read God's name as it is written and read Adonay my Lord (a plural of majesty) instead of it? Why God's name is usually punctuated e, â (shewa, qamats) by the Masoretes what makes its reading impossible, because the 4 consonants of the name YHWH must have at least 3 vowels (long or short) to be read, like the words 'aDoNâY and 'eLoHîM God (a plural of majesty), which have 4 consonants and 3 vowels? At last, why the obvious reading Yehowah, according to theophoric names, which all begin by Yehô-, without exception, is so despised, and why the simple biblical meaning, He will be from Exodus 3:14, is rejected.

The Book of Knowledge J. J. Hurtak, 1987-12-01

Names of God Douglas Connelly, 2012-09-27 God is called by many names in Scripture—names that highlight specific aspects of his character. This eight-session LifeGuide® Bible Study by Doug Connelly, focused on eight titles for God from the Old Testament, invites you to know and experience the Lord Almighty in deeper ways. As you do so, you will come to trust him more fully and worship him with fresh awe and reverence.

God Throughout the Ages Peter J. King, 2017-10-15 A number of traditions have lists of many names of God, many of which enumerate the various qualities of a Supreme Being. The English word God is used by multiple religions as a noun or name to refer to different deities. Ancient cognate equivalents for the word God include proto-Semitic El, biblical Hebrew Elohim (God or/of gods), Arabic 'ilah (a or the god), and biblical Aramaic Elah (God). The personal or proper name for God in many of these languages may either be distinguished from such attributes, or homonymic. For example, in Judaism the tetragrammaton is sometimes related to the ancient Hebrew ehyeh (I will be). Correlation between various theories and interpretation of the name of the one God, used to signify a monotheistic or ultimate Supreme Being from which all other divine attributes derive, has been a subject of ecumenical discourse between Eastern and Western scholars for over two centuries. In Christian theology the word must be a personal and a proper name of God; hence it cannot be dismissed as mere metaphor. On the other hand, the names of God in a different tradition are sometimes referred to by symbols. The question whether divine names used by different religions are equivalent has been raised and analyzed. Exchange of names held sacred between different religious traditions is typically limited. Other elements of religious practice may be shared, especially when communities of different faiths are living in close proximity (for example, the use of Om and Gayatri within the Indian Christian community) but usage of the names themselves mostly remain within the domain of a particular religion, or even may help define one's religious belief according to practice, as in the case of the recitation of names of God (such as the japa). Guru Gobind Singh's Jaap Sahib contains 950 names of God. The Divine Names, the classic treatise by Pseudo-Dionysius, defines the scope of traditional understandings in Western traditions such as Hellenic, Christian, Jewish and Islamic theology on the nature and significance of the names of God. Further historical lists such as The 72 Names of the Lord show parallels in the history and interpretation of the name of God amongst Kabbalah, Christianity, and Hebrew

scholarship in various parts of the Mediterranean world. The attitude as to the transmission of the name in many cultures was surrounded by secrecy. In Judaism, the pronunciation of the name of God has always been guarded with great care. It is believed that, in ancient times, the sages communicated the pronunciation only once every seven years; this system was challenged by more recent movements. The nature of a holy name can be described as either personal or attributive. In many cultures it is often difficult to distinguish between the personal and the attributive names of God, the two divisions necessarily shading into each other. This book discusses God and the names given to God in the three primary monotheistic religions. The purpose of this series of books on religion, mythology and theology is designed to emphasize our common humanity and spirituality and eliminate the divisiveness that exists within the organized religions. This book is designed to be a state of the art, academic reference work and provides an overview of the topic and gives the reader a structured knowledge of the topic at the most affordable price possible. The accuracy and knowledge is of an international viewpoint. The edited articles represent the inputs of many knowledgeable individuals and the most current knowledge on the topic, based on the date of publication.

God Peter J. King, 2016-05-06 A number of traditions have lists of many names of God, many of which enumerate the various qualities of a Supreme Being. The English word God is used by multiple religions as a noun or name to refer to different deities. Ancient cognate equivalents for the word God include proto-Semitic El, biblical Hebrew Elohim (God or/of gods), Arabic 'ilah (a or the god), and biblical Aramaic Elah (God).
