A Study of God's Hebrew Names Michael L. Gowens,2016-11-04 What is your name? It is the first question one person asks another upon first meeting. Once names are revealed, the two parties are well on the way to the formation of some form of social relationship. Unlike our modern world, a name in Bible times was not a mere label, but a profile of character. This is especially the case in terms of God's self-disclosure in the unfolding pages of the Old Testament. The progressive revelation of God's name to the Hebrew people is a veritable theology, or study of the attributes of God. In this book, Michael Gowens examines the meaning and significance of the primary names of God - Elohim, Jehovah, & Adonai - together with several of the more salient compound names of each: El-Shaddai, El-Roi, El-Elyon, Jehovah-Jireh, Jehovah-Rophe, and more. Study along with him and experience how the revelation of God's name in the Bible is a firm foundation on which to cultivate a closer fellowship with him.

72 Names of God -- Hebrew Edition Yehuda Berg,2011-07-01 Text in Arabic.

His Name Is One Jeff A. Benner,2003 When we read an English translation of the Bible we define the words within it according to our modern vocabulary allowing our culture and language to influence how we read and interpret the Bible. The Bible was written by ancient Hebrews whose culture and language was very different from our own and must be read and interpreted through their eyes. When we define the names of God using our culture and language we lose the Hebraic meanings behind the original Hebrew names of God. Consequently the true nature and character of God is hidden behind the

veil of time and culture. By understanding the various names of God through the vocabulary and language of the ancient Hebrews, the nature and character of God is revealed to us in a new light. The prophet Zechariah described the character of God with the words sh'mo ehhad translated as His Name is One (Zechariah 14:9). This phrase beautifully describes the character of God from a Hebraic perspective that is lost to us through translation and unfamiliarity with ancient Hebrew culture.

The 72 Names of God Baal Kadmon, 2015-08-16 It is said that there are 4 approaches and levels to biblical understanding and study. . The Surface and Literal meaning of the words themselves. . Hints of a deeper meaning beyond the surface words . A Deeper inquiry . Secret and esoteric meaning Each level of biblical exegesis transcends but includes the former and will never contradict the other. In this book we will delve into the deep end of the water, the secret and esoteric meaning. We will unlock the secrets of the Hebrew bible. More specifically, 3 verses from the book of exodus. 19 Then the angel of God who was going before the host of Israel moved and went behind them, and the pillar of cloud moved from before them and stood behind them, 20 coming between the host of Egypt and the host of Israel. And there was the cloud and the darkness. And it lit up the night[a] without one coming near the other all night. 21 Then Moses stretched out his hand over the sea, and the LORD drove the sea back by a strong east wind all night and made the sea dry land, and the waters were divided. Exodus 14:19-21 Within this text hides something profound and hidden. Within this text lies the keys to spiritual and material transformation. Within this text resides the secret of secrets. Within the text hides the 72 names of God. Today, My friend, you will learn them and you will be transformed.

The Book of Knowledge J. J. Hurtak, 1987-12-01

His Names are Wonderful Elizabeth L. Vander Meulen, Barbara D. Malda, 2005 In the Bible, names were chosen to communicate something about a person, especially God's names--they reveal his identity. This book groups 140 names into eight sections: Almighty, Father, Redeemer, Shepherd, Spirit, Truth, Defender, Faithful. Each artfully designed page includes

English and Hebrew names, an English transliteration, and relevant Bible passages.

All the Names of the Lord Valentina Izmirlieva,2008-09-15 Christians face a conundrum when it comes to naming God, for if God is unnamable, as theologians maintain, he can also be called by every name. His proper name is thus an open-ended, all-encompassing list, a mystery the Church embraces in its rhetoric, but which many Christians have found difficult to accept. To explore this conflict, Valentina Izmirlieva examines two lists of God's names: one from *The Divine Names*, the classic treatise by Pseudo-Dionysius, and the other from *The 72 Names of the Lord*, an amulet whose history binds together Kabbalah and Christianity, Jews and Slavs, Palestine, Provence, and the Balkans. This unexpected juxtaposition of a theological treatise and a magical amulet allows Izmirlieva to reveal lists' rhetorical potential to create order and to function as both tools of knowledge and of power. Despite the two different visions of order represented by each list, Izmirlieva finds that their uses in Christian practice point to a complementary relationship between the existential need for God's protection and the metaphysical desire to submit to his infinite majesty—a compelling claim sure to provoke discussion among scholars in many fields.

The 72 Angels of the Name Baal Kadmon,2015-08-16 In this book, we will discuss how to communicate with the 72 angels that are associated with the 72 names of God in volume 1 of this series. We will not be using any fancy and complicated rituals. With all due respect to those who plan elaborate rituals, the rituals end up being more of a distraction. The angels do not require certain hours of day or night or certain colors or garb. They are not human that they require such trivialities. Do you think an angel with a limitless mind requires such limited and minute actions to get its attention? I know this may completely contradict what you have heard, but logically, this is so. If you are looking for elaborate rituals, you will be disappointed in this book. This book is for people who want a direct connection. Not those who wish to mire themselves in complexity that in actually, is contrived. We know where many of those rituals in all those Grimoires come from and I assure you, the complexities are formalities only and not necessary for deep connection with these angels. With that, In this book, we will go into the significance of the 72 names of God and then proceed to the names of the angels. And finally, how to call upon them to help you.

Holy Bible (NIV) Various Authors,2008-09-02 The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. Your Name Is Your Blessing Rabbi Benjamin Blech,Elaine Blech,2012-12-06 *Your Name Is Your Blessing: Hebrew Names and Their Mystical Meanings* represents the first time that the secrets of the Kabbalah, the mystical teachings of Jewish spiritual leaders, were introduced to the general public for the purpose of explaining the profound meanings hidden in every person's name. Even now, *Your Name is Your Blessing* remains alone in its application of Kabbalistic teachings to the choice

and understanding of one's name. A name tells a story that captures a person's character and personality, and Your Name Is Your Blessing, Benjamin and Elaine Blech provide a guide to understanding what your name says about you and your life. The Blechs give the gematria—the total numerical value of a word, which is the starting point for kabbalistic analysis—for hundreds of names, as well as Biblical words, phrases, and blessings associated with this numerical value.

The Name of God Y.eH.oW.aH Which is pronounced as it is Written I_Eh_oU_Ah Gerard Gertoux,2015-06-10 The understanding of God's name YHWH is so controversial that it is eventually the controversy of controversies, or the ultimate controversy. Indeed, why most of competent Hebrew scholars propagate patently false explanations about God's name? Why do the Jews refuse to read God's name as it is written and read Adonay my Lord (a plural of majesty) instead of it? Why God's name is usually punctuated e, â (shewa, qamats) by the Masoretes what makes its reading impossible, because the 4 consonants of the name YHWH must have at least 3 vowels (long or short) to be read, like the words 'aDoNâY and 'eLoHîM God (a plural of majesty), which have 4 consonants and 3 vowels? At last, why the obvious reading Yehowah, according to theophoric names, which all begin by Yehô-, without exception, is so despised, and why the simple biblical meaning, He will be from Exodus 3:14, is rejected.

The 72 Names of God Katherine Bell,2018-10-28 A mystical place exists in the Universe where way-showers visit. Their visits occur in dreams, meditation, and contemplation. In the realms beyond Earth-time, these dimensions of higher consciousness present gifts for humanity to enhance living in matter. As a traveler through the dimensions, I am grateful to be a recipient of many modalities for healing and guidance from the realms of Spirit. I am an energy healer, a spiritual counselor, intuit, teacher, minister, and author. I most certainly give honor to the gifts the Shekinah has provided to me to pass on to others, such as yourself.The Timeless Cryptograms of Healing(R), guide the way to higher consciousness and experiences of the mysteries active in our daily life. These sacred images support our human endeavors Spiritually, Emotionally, Mentally, Physically, Ego-wise, and Soul-wise. Several years ago, the Divine Feminine inspired the vision of sacred cryptograms in my dreamtime. In more recent years, She urged me to explore the gifts inherent in the Hebrew 216-Letter Name of God divided into 72 individual names. She directed the creation of cryptograms for each one. Please refer to About the Author, to learn my story of becoming a cryptographer for the Divine.The 72 Names of God, derived from the 216-Letter Name of God, have existed for thousands of years. Ancient Hebrew Mystics revealed them. Divine inspiration led Moses to identify these names while studying the Zohar 11:51b. Other scholars recognize the same information in Exodus 14:19-21, when written in the Hebrew or Aramaic languages. Hebrew theologians conclude that Moses used these names to part the Red Sea, as well as to rule and meet the challenges he and his people endured. The secret mysteries of supernaturalism allowed Moses to break the yoke of human limitations. Moses passed this wisdom on to future generations.I received guidance to place each Name of God in the cryptograms you will see and use. CD recordings and Divination Cards

can also enhance your use of the cryptograms to feel the mystical vibrations of Source that move through the currents of Sound and Light. As you review what the Names of God offer for healing and enlightenment, consider the remarkable balance the Divine offers and has offered for countless years through these iterations of sacred names revealed through Divine Guidance. Moses discovered these ever-present gifts. Over the centuries many scholars, religions, and healers aware of the miracles within the 72 names, continued to pass them on for generations. What mysteries and healing qualities of these cryptograms will you explore? Merely viewing the cryptograms with an open mind and heart results in relaxation, balance and activates Light and Sound. Adding the orchestration of tuning forks increases the vibration. As if by magick, the cryptograms evoke the Inner Healer. Balance, health and success are experienced. The Timeless Cryptograms of Healing(R) in this book represent the tip of the iceberg. Since 2013, the impetus to create hundreds of cryptograms consistently arises in my dream time, meditations, and when contemplating healing for a specific person. They are miraculous. They are timeless. They are the very active energy of the Light and Sound of Source. Each cryptogram consists of the three Hebrew Letters that represent a Sub-Name of God. Each letter corresponds to a specific musical tone. In addition to the tuning fork related to each letter, an additional fork stimulates the pineal gland. The I AM fork strikes the others to create an orchestration of tones and overtones within the Oneness of the Universe. Seed-like vibrations of potential that help achieve healing and enlightenment are imbedded within each individual. The sight and sound of the cryptogram activates these seeds to grow and expand. The orchestra of Light and Sound initiates the power of the Name of God, and harmonious waves of healing and balance.

The 42 Letter Name of God Baal Kadmon, 2015-08-16 In this book, we will be discussing an ancient Jewish prayer, often called the The Kabbalists Prayer and the Genesis Prayer called in Hebrew Ana Bekoach . This powerful prayer on the surface seems like a standard prayer, nothing particularly remarkable is contained within the verses. To most, it is just another prayer, but to those who look, they will find within the text the 42 letter name of God. This name of God is so powerful that just by reciting it and gazing upon the letters, you can gain immense powers from the divine. Powers that can solve all your problems. I know it sounds too good to be true, but this prayer and the 42 letter name of God within its verses has been proven to be very powerful. If you look it up you will find countless testaments to the power of this name. Let us begin.
